

Peter Campbell Stock Working Clinic

Saturday 7/21-Tuesday 7/24/12

Ravalli County Fairgrounds

Hamilton, Montana

Welcome to the beautiful Bitterroot Valley and the **third annual** Peter Campbell Horsemanship and Stock Working clinic. We are looking forward to helping you meet your goals and enhance your knowledge of what you and your horse can accomplish together...creating a partnership with your horse based on mutual respect and understanding.

The clinic is NOT a colt starting clinic. Young horses are welcome, however they need to know the basics. Lateral flexion, leg yielding, transitions from walk, trot to lope and stop are needed to work cows. A "soft feel" with the horse working off the riders' leg and seat is the ultimate goal.

The morning horsemanship session is designed to warm up the rider and their horse, introducing feel timing and balance at various speeds in different maneuvers without the distraction and pressure of the cow. If cow working Vaquero Style is new to the rider the morning session is a must.

If you have **specific needs or questions** regarding your relationship with your horse please feel free to include them with your entry form. **Please type** your questions and concerns on a separate page and I'll be sure to get it delivered to Peter prior to the start of the clinic.

Last year was our first year at the fairgrounds and we enjoyed the size of the arena, however the footing was less than desirable. This year the fair director has assured us the arena mix has been improved and the soil will be turned every evening when we are done so it won't become hard packed.

Reminder this is an **outdoor arena**, bring plenty of sun screen, clothing to suite warm, cool or rainy weather...we experienced it all last year!

The **Town House Inn is our host hotel.** They are offering a rate of \$59.99 + tax per night. Just mention you are attending the Peter Campbell Clinic. Their toll free number is 800-442-4667 and you can view their website at www.townhouseinnhamilton.com

4H will be providing breakfast, lunch, snacks and beverages. They did a great job last year and made it easy for us, so you don't have to pack or shop for food during the clinic.

Steak BBQ at the Trexler Ranch was requested by all last year participants. Bring family and friends and get acquainted with Peter and your fellow equestrians. **Space is limited so book early!**

Bitterroot Saddle Company and other vendors will be set up again on Saturday. Buckaroo custom saddles, headstalls, chinks, armitas, chaps, wild rags, bits, mecates, halters & leads, etc. will be available....Bob & Julie Trezona are expanding the selection based on last years response. **New selection of Montana Leather Designs by Olive Parker will be back too.**
